PHOTO/VIDEO RELEASE FORM

Yield according to EU Regulation 2016/679

General Data Protection Regulation and DL.gs 101/2018, which amends and supplements the national legislation in this field

This statement is made in order to acquire permission to store and publish photographs and/or video recordings, which may be made during the **Citizen Science campaign**, for scientific, cultural, educational and dissemination purposes only. According to the aforementioned legislation, data protection, as well as the protection of privacy and individuals' rights, will be based on the principles of fairness, lawfulness and transparency. In case photos or videos will be further used for dissemination purposes it will be ensured that the faces of participants will be blurred and non-recognisable.

The installation and use of images and video footage are to be considered made properly and in free form. Under no circumstance these images and/or video recordings will be used neither for purposes other than those indicated nor in any areas that may affect the honour, reputation and/or decorum of the person portrayed. Such authorisation also excludes any use for profit and transfer to third parties.

I hereby grant the irrevocable right and permission to the NAUTILOS Project to use photographs and/or video recordings on the project websites and in publications, educational material, derivative works, or for any other similar purpose without payment or any other consideration.

I hereby release, acquit and forever discharge ... (add Institute acronym) ..., from any and all claims, demands, rights, promises, damages and liabilities arising out of or in connection with the use or distribution of the above mentioned photographs and/or video recordings, including but not limited to any claims for invasion of privacy, appropriation of likeness or defamation.

ACCESS TO PERSONAL DATA

Pursuant to art. 15 of the EU Reg., you have the right to access the data being processed, including the right to receive a copy. These include the expected retention period or, if this is not possible, the criteria used to define this period, as well as the guarantees applied in case of transfer of data to third countries. Where applicable, you also have the rights referred in Articles 16-21 of the GDPR 2016/679 (right of rectification, right to be forgotten, right of limitation of treatment, right to data portability, right of opposition), as well as the right to lodge a complaint with a supervisory authority. This disclaimer is valid without limitation and is drawn up and signed in duplicate, guaranteeing that you have read this and understood its contents.

Please Note: No personal data will be requested, retained or further used during the Citizen Science campaigns.

CONSENT (Confirmation)

Please select/check ("X") the appropriate boxes:

- I have read and I fully agree with the information provided in this document.
- I am 18 years or older and am competent to provide consent.
- I have been fully informed about the aims and purposes of the NAUTILOS Project **Citizen Science campaign** and I agree to participate in it.
- My participation in this project is voluntary. I understand that I will not be paid for my participation.
- I agree my personal data is used according to *EU Regulation 2016/679 - General Data Protection Regulation and DL.gs 101/2018* which amends and supplements the national legislation in this field. The procedures regarding the personal data confidentiality have been clearly explained to me (e.g. the use of my name, contact details and personal data).
- I would like to receive the NAUTILOS Project Newsletter.

Name and surname of participant

Place, date and signature of participant

Statement of investigator's/researcher's responsibility

I have clearly explained the nature and purpose of the **NAUTILOS Project Citizen Science** activity, the procedures to be undertaken and any risks that may be involved. I have offered to answer any questions and fully answered such questions. The participant understood the activity guidelines and my explanations and freely given informed consent.

Name and surname of the investigator/researcher

Place, date and signature of the investigator/researcher

Thank you for your collaboration in the NAUTILOS Project
